

Bonjour à l'initiative

PALMER JOHNSON

for

Two iconic and admired brands have combined their pedigree in design, technology and performance into a fearless vision for the future of sport yachts. One that transcends dogma by simply thinking not just outside the box, but without a box. Inspired by the amazing Bugatti Chiron, the outcome of this powerful alchemy between Palmer Johnson and Bugatti is the **Limited Edition Niniette**.

YOUR **PRECIOUS** SANCTUARY

Polished modernism and sumptuous comfort are balanced in perfect harmony. The interior lounge pays subtle tribute to Bugatti's automotive heritage whilst retaining a luxury that cocoons you in a mixture of precious materials.

MODERN AND TIMELESS LUXURY.

**YOUR
ULTIMATE
RETREAT**

Some places are memorable. The Niniette master suite is unforgettable. An inner sanctum like no other, the beauty of its interior resides in the sustained harmony of opposites – soft leather against polished metal; suede against carbon.

POWERFULLY SEDUCTIVE.

PERFORMANCE

Advanced stabilised hull achieves speed with efficiency and amazing comfort.

The super slim hull provides higher speeds with lower input power and fuel burn.

Side sponsons offer additional vessel beam and increased stability at rest.
